Plastic recycling: What to look for and where

If you want to make sure you are recycling all of the plastic items that we accept, check for a triangle symbol with a number inside it. This number refers to the grade of plastic.

We accept clean and empty plastic items that are made from grades 1, 2 and 5.

1 2 5

Here are some more details:

1
PET

Used for plastic bottles (drink bottles, water bottles, cleaning bottles, shampoo bottles, etc.)

Yes please

2
HDPE

Used for margarine tubs and thicker plastic bottles (cosmetic bottles, cleaning bottles and shampoo bottles, etc.) *Bottle pumps to be removed.*

Yes please

5
PP

Used for yoghurt pots, bottle tops and food trays (not black). *Please take care to check the plastic grades for these items as they can change.*

Yes please

No thanks

We do not accept plastic bags, plastic film, food wrappers, polystyrene and black plastic trays.

Thank you for recycling more
