

Question: will any sales require customers to pick up from the premises or are they solely by delivery only?

Answer: delivery only.

Question: what is the status of Grand Cuvee.

Answer: retail company not set up as yet.

It was suggested that Mr Caizzo hold the licence in his name and not the company. Mr Caizzo agreed.

Question: has permission been obtained from the landlord?

Answer: no (Mr Caizzo will do so).

It was also suggested to Mr Caizzo that he contact his insurer to arrange adequate cover, look into transferring the business to a company at a later date and check with Planning if any permission is required.

It was also pointed out to Mr Caizzo that the consumption of any of the stock from his business on the premises was prohibited.

Connetable Lewis advised Mr Caizzo that he was required by law to have his name above the door of the premises, that the premises would be subject to regular inspections by the States of Jersey Police and Honorary Police and he would need to meet with the Connetable to appoint a Manager.

On a proposition by Deputy Ferey, seconded by Reverend Evans, the Assembly unanimously agreed that a provisional 6th (Off-Licence) be granted subject to the condition that Mr Caizzo provide the Connetable with the following documents:-

- DBS check to be provided
- Written permission from the landlord

In order for the application to be heard at the September Licensing Bench It was agreed that these documents be made available to the Connetable before Tuesday 5 September 2023 failing which the application would be deferred to the December sitting of the Licensing Bench.

CLOSING:

Connetable Lewis warned Mr Caizzo and his Proposer to attend the Royal Court on 21 September 2023 at 10 a.m., suitably attired.

Connetable Lewis thanked everyone for their attendance and closed the meeting at 6.48 pm.
