Reverend Martin Evans Rector of St Saviour</p>
<p>ITEM 1</p>	<p>The minutes of the previous Parish Assembly held on 13 May 2024 were proposed by Deputy Ferey, seconded by Roads Inspector Stephen Wyatt and unanimously agreed by the Assembly.</p>
<p>ITEM 2</p>	<p>Before the applications were heard, Connétable Lewis advised that, if granted this evening, the applicants would be subject to a condition. This condition stipulates that the licenses will not take effect until Food Retail Limited provides evidence to the Judicial Greffier that the transaction, which is subject to Channel Islands' competition regulators, has received approval for the takeover.</p> <p>John Bisson, Solicitor Appleby (Jersey) representing Sandpiper CI Limited (the applicant), addressed the Assembly, presenting an application on behalf of the Food Retail Limited, a newly incorporated company owned by Sandpiper, for the grant of a Sixth Category Liquor License for each of the following convenience store premises: Five Oaks, Longueville Precinct and Grands Vaux.</p> <p>Each Property is already licensed in the Sixth Category by a member of the Sandpiper Group and has been so licensed for many years.</p> <p>The new licences are being sought in the name of the Applicant in preparation for a corporate restructuring to allow for the consolidation of the Applicant's business in Jersey as well as across the other Channel Islands in the name of the Applicant.</p> <p>The Properties to be licensed are all to be held on leases either from Sandpiper by way of new 24-year terms or by acquisition of presently Sandpiper held lessee companies or by assignment to the Applicant of existing leases presently held by Sandpiper.</p> <p>In the light of the fact that Sandpiper is a Channel Island Stock Exchange quoted company it has not been possible or indeed considered necessary to have approached third party landlords with this proposal. The Properties are each (as previously said) already licensed with the approval of in the case of Properties in third part ownership such third-party landlords who will all be party to the assignments which will formally put the leasehold premises into the hands of the Applicant.</p>

	<p>Summary: Connétable Lewis expressed gratitude to Solicitor Bisson for presenting the application. The Assembly then opened the floor for questions.</p> <p>Question: “Are the terms of the existing license to remain the same?”</p> <p>Answer: Solicitor Bisson clarified that there were no operational plans to alter any conditions that may form part of the applications.</p> <p>Upon a proposition by Michael Gradidge, seconded by Julie Laffoley, the Assembly unanimously agreed to grant the sixth category Liquor Licences, subject to aforementioned condition stipulating, that the licenses will not take effect until Food Retail Limited provides evidence to the Judicial Greffier that the transaction, which is subject to Channel Islands’ competition regulators, has received approval for the takeover.</p> <p>Connétable Lewis advised the applicant to appear before the Licensing Bench at the Royal Court on Thursday, 20 June 2024, for the hearing of their application.</p>
	<p>Connétable Lewis thanked everyone for their attendance.</p> <p>There being no further business the meeting was closed.</p> <p style="text-align: right;">..... Chairperson</p>
