

# St Saviour Household recycling collection 2025

This guide explains how to use the St. Saviour household recycling collection. A collection planner is included so you know when your recycling will be collected.

Every home in St. Saviour receives a recycling collection, in addition to the existing rubbish and glass collections. Recycling collections will be on the same day as your General Waste. All items to be placed in either Clear or Blue bag as per guidance, these are available from the Parish Hall.
