

Bagatelle Road / Mont Millais Resurfacing & St Saviours Road Upgrade Works

Summer 2026 - 20 July to 4 September

What is happening

Essential highway maintenance and infrastructure upgrade works this summer.

To minimise disruption, works on Bagatelle Road / Mont Millais will be carried out in three sections with each section closed to through traffic 24 hours a day while work is underway.

Diversion routes will be clearly signed, and temporary one-way systems will be introduced where necessary to support traffic flow and reduce congestion around the JE upgrade works.

Access to properties and businesses will be maintained wherever possible.

Why is it happening

- Improve road safety and surface quality on key routes
- Extend the lifespan of the highway infrastructure
- JE Electrical infrastructure and service upgrade on St. Saviours road

This work is being coordinated with the Jersey Electricity service upgrade on St Saviour's Road to reduce overall disruption to the public.
