Joint tax return election

Please read and agree to the points below.

- We are married or in a civil partnership and not separated.
- We have been filing jointly up to and including the 2025 tax return and still wish to file one tax return as a couple.
- We understand the partner responsible for filing the return will also be responsible for any late delivery penalties, or penalties for inaccurate information.
- Our election will take effect from year of assessment 2026 and continue for all future years until either of us cancels it.
- We acknowledge we will receive our own tax bill and be responsible for paying it.
- We acknowledge that the data in our return, and any subsequent amendments, can be shared with the other partner.

If you use a Tax Agent:

- You must both use the same Tax Agent to file a joint tax return.
- You should also complete the “**Authority to act**” section on the reverse of this form so we can deal with your Tax Agent and send them your Income Tax correspondence.
