

We are working in your area today to help meet the increasing demand for low-carbon electricity.

Roadworks notice.

Due to the ever-increasing demand for electricity, Jersey Electricity, supported by our sub-contractor Geomarine, is hard at work enhancing the electricity distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure Jersey Electricity continues to meet your energy needs.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to contact our sub-contractor Geomarine on **01534 856566**.

Thank you for your continued support.

je Jersey Electricity

GEOMARINE

Langley Park & Les Grands Vaux, St Saviour

Dear Customer,

We are writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area.

Details of the planned roadworks, Ref WO899425:

- Start Date: Monday 20 July 2026
- End Date: Friday 4 September 2026
- Location: Langley Park & Les Grands Vaux
- Purpose of the Roadworks: To allow us to complete necessary improvements to our electricity infrastructure in the area. Investments like this into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

Will I be able to access my property?

Yes, access to properties will remain uninterrupted, and businesses will operate as usual. We ask that you please follow the diversions in place. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

Parking on the roadside?

To enable Geomarine to complete the work efficiently and safely all on road parking is to be suspended in the area of works for the whole duration of the works.

For any major updates regarding these works or our other roadworks please visit our roadworks page jec.co.uk/roadworks.

If you have any concerns or require further information, please do not hesitate to contact our sub-contractor Geomarine on **01534 856566**.
